The Retired and Senior Volunteer Program was established in 1971 and is now one of the largest senior volunteer organizations in the nation. RSVP engages more than 296,000 people age 55 and older in a diverse range of volunteer activities with thousands of local and national organizations. With RSVP, you choose how and where you want to serve. You choose the amount of time you want to give. And you choose whether you want to draw on your existing skills or develop new ones. In short, you find the opportunity that's right for you.

With RSVP, you'll receive pre-service orientation, training from the organization where you serve, and supplemental insurance while on duty.

And remember: When you volunteer, you're not just helping others - you're helping yourself. Volunteering leads to new discoveries and new friends. Plus, studies show that volunteering helps you live longer and promotes a positive outlook on life.

So get involved, and join RSVP today!
